Traditional Parenting

First Nations people have always had the knowledge when you raise a child holistically; this prepared them to make positive choices; healthy relationships, healthy children which leads to healthy communities. We need to prepare the next generation as our teachings are a source of strength and identity. It is now time to Reclaim that knowledge and provide and implement programs by using our Indigenous philosophies. We need to start promoting the pride and history of our people from the perspective of the Indigenous Worldview.

The workshops that Mahkesis Consulting provides are about awareness of how it was in our Traditional Family Systems' and how we can bring back these teachings along with the parenting skills and most importantly it is prevention.

Lunch is provided. If you would like to register and/or need a ride, please call Maxine at Soda Creek Health Station 250-989-2355.
