

School District #27 Nature Kindergarten

School District No. 27 Nature Kindergarten is a full-day program of choice which takes place at Scout Island Nature Centre and Marie Sharpe Elementary.

Children in the Nature Kindergarten program will:

- Engage in rich educational experiences that meet the BC Kindergarten curricular outcomes in natural settings.
- Discover trails, forested areas and explore aquatic environments.
- Explore local ways of learning and knowing.
- Learn through purposeful exploration and play both outdoors and indoors.
- Participate in safe, supportive daily physical activity and healthy living.
- Foster inquiry skills that facilitate conceptual, cognitive, and language development.
- Experience opportunities that nurture social-emotional learning, self-regulation and positive relationships.
- Learn the importance of caring and respect for nature. Enrollment will be limited.
- Learning Through Play Exploring Nature Caring as a Community

Interested parents are encouraged to join a Nature Kindergarten Town hall meeting on **Wednesday, Jan. 20th, 2021 5:30 pm.** Questions about registration and program details will be answered at this time.
