Weykt,

My name is Jo-Anne Gottfriedson and my coworker Daniel Joe have recently rejoined the Indian Residential School Survivors Society (IRSSS) team as the **Interior Day School Coordinators**. We work from our home office located both in Kamloops and Vernon, BC.

Currently, and as per the COVID-19 restrictions we are available via telephone, emails or Zoom calls.

Listed below are a brief listing of the types of services and assistance, we provide through the Day School Class Action Settlement Agreement(s) for former students and their families:

- Emotional support through the settlement process.
- Can assist in forms associated with the Day School.
- Cultural support services.
- Safe, confidential, respectful, and nonjudgmental assistance through the settlement process.
- Assistance with Self-Care preparation.

If you have any questions or would like more information, please do not hesitate to contact us.

Thank You, In wellness and Healing.

Daniel Joe
